

RHIP MINI-GRANT PROJECT SUMMARIES

Project Dr. Cloud

Organization: Infinite Healing Solutions

Reviewed by: Behavioral Health: Access and Coordination

Summary of Results

- Purchased Dr. Cloud, EHR software that would enable us to focus services on functionality, workflow, simplifying the continuity of care and more importantly the quality of care we provide to our communities.
- Increased behavior, health access and coordination which help reduce substance misuse by providing preventative interventions and we successfully achieved this goal.
- Infinite Healing Solutions are actively working with 45 individuals to address variables impacting social determinants of health.
- Donated over \$39,929.06 in Mental Health Services alone, this does not include monetary donations we have made for the families we support.
- Also helped families with household goods, car batteries, gas cards, clothing, and water & food donations.
